yourKONECRANES customer portal

Our customers expect transparency, speed and real-time service and we can provide it with the processes and systems that make up our digital ecosystem.

Our customer portal, yourKONECRANES.com, gives you quick and easy access to your maintenance information. Usage and operating data, maintenance information and

asset details are linked, giving a transparent view of events and activities over any selected time interval. Aggregated data can be viewed, analyzed and shared quickly, while insights can be drawn by observing anomalies, patterns and trends, helping users make informed maintenance decisions.
